

TOPIC 2

SUSTAIN SIGNIFICANT GROWTH

Ciara's presentation was right on the money, particularly her personal experience of this important topic. Highly recommend!

EASTON WEALTH

Her content was expansive and in particular her pointers around celebrating experimentation, encouraging our people to take risks and fail, was particularly powerful and relevant for our business.

CIARA LANCASTER

SPEAKER. AUTHOR. DIRECTOR.

Australia's female speaker and bestselling author dedicated to helping you transform your team from change fatigued to change fearless. Ciara Lancaster's expert topics are resilience building, mindset for change and self-leadership success strategies. Keynotes are underpinned by psychology, neuroscience and change management.

Ciara Lancaster, a former Change Manager at Deloitte Australia, has led teams of 500+ through change management, business transformation and digital innovation efforts. Add to that, that she literally went on to write the book on the topic. During the peak of the pandemic, 'Reimagine Change' became a #1 best-seller in Organisational Behaviour (AU) and Stress Management (USA). 'Reimagine Change' has recently been awarded a 'Finalist Medal' in the 2021 Australian Career Book Awards.

You will frequently see Ciara Lancaster's thought leadership in the media. The Financial Review, Sky News, In The Black, Women's Agenda and CEOWorld Magazine to name a few.

Ciara Lancaster is also an alumna of Sydney University, University of New South Wales, Stanford University and The Mind Academy in the domains of Psychology, Economics, Organisational Change Management, Compassion Cultivation and Modern Psychology.

Most importantly, in a world dominated by celebrity, Ciara brings authenticity, vulnerability and relatedness that the audience comments on time and time again.

Ciara Lancaster knows that in the business world inspiration isn't enough. It's all about impact. For this reason, audience members will learn at least three action steps, as shared from the stage. Many leaders also gift their team copies of the book as a valuable post-event resource to embed the learnings.
